Honorable Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

In response to the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (Do/EO/US) mailed June 2, 2006, copy enclosed, Applicants submit that a correct and accurate translation of the PCT application into English was submitted on September 29, 2005.

The Notification states that the number of claims in the International application and the number of claims in the translation are not the same.

According to Applicants' records, the claims in the International application were Claims 1 through 13.

Claims 1 through 13 were also filed with the translation of the International application and found on pages 14 through 16 of the translation.

Applicants also submitted a translation of the annexes to the International Preliminary Examination Report including Claims 1 through 11 found on pages 17 and 18 of the translation. It is these claims which are to be examined, and which were amended in the Preliminary Amendment.

Hence, a complete and accurate translation of the application into English was submitted on September 29, 2005, and withdrawal of the Notification of Missing Requirements is requested.

Respectfully submitted,
